

## Foster Home Volunteer Application

### *The Pet Castle, Inc. Animal Rescue*

Please print, sign and send via mail or e-mail as an attachment to [kittensandpuppies@fuse.net](mailto:kittensandpuppies@fuse.net) to join The Pet Castle, Inc. Animal Rescue as a volunteer foster parent!

When placed as a foster parent, you are not required to take in animals **all** the time. Actually, foster parents are rotated and advised to take time off in-between rescues. Each foster home is contacted before an animal is accepted. No foster parent is required to accept. Each foster pet is based on a case to case basis, and no foster parent is pressured. As a foster parent you may accept or decline.

### ***Foster Home Agreement***

*Please initial each line.*

I have read and understood the terms and conditions of foster care program for The Pet Castle, Inc. Animal Rescue (herein referred to as TPC).	
I agree to contact TPC if any TPC foster animals are missing.	
I agree to contact TPC when medical care is needed as soon as possible after a medical problem is detected.	
I agree that I will not allow foster dogs or cats to roam free outdoors.	
At no time will I surrender this foster animal to a Municipal Pound or other agency without the express consent or direction from TPC Board members.	
I understand that I shall not release animals (i.e. for adoption, sale, euthanize or otherwise remove) from my home without the express consent of the Foster Home Coordinator and/or Chief Adoptions Officer.	
I agree that I will not take in dogs or cats for foster care without the prior express consent of the Foster Home Coordinator.	
In the event that no alternate foster homes are available to house foster animals, I agree to house or safely board the pet(s) until such time as the space becomes available.	
I understand and agree that TPC can check up on my foster animal by telephone or visitation. I also agree that TPC can remove any foster animals from my home if they are not being properly cared for.	
I understand that it is my responsibility to ensure that all animals in my care that are not spayed/neutered are not allowed to breed, and that TPC is not responsible for kittens or puppies that are a result of foster animals breeding with each other or with animals owned by the foster home.	
I understand that TPC does not assume responsibility for damage to personal property caused by animals in foster care.	
I understand that it is my responsibility to ensure that my personally owned animals are vaccinated and free of communicable disease, and that TPC will provide for medical costs associated with vaccinating and spaying/neutering of foster animals, based on priorities within the foster home program.	
I understand that TPC, Inc. will attempt to provide food and other supplies as much as funds allow, but that, on occasion, such supplies will not be available. In these circumstances, I understand that I will be responsible for providing adequate food and supplies for all foster animals in my care.	
I understand that I must complete a "Request for Reimbursement" form to claim any expenses related to foster animals in my care, and that these requests are subject to approval from the TPC Board of Directors.	
I have received a copy of this agreement and fully understand and agree to my obligations to The Pet Castle, Inc. Animal Rescue and any foster animals in my care.
