THANK YOU

I would like to personally thank all
the walkers and supporters of the
Memorial Day Parade in Florence,
Kentucky. Next Year, I would like to
get even more people involved and
have a float. Less walking and more
relaxing.

Gift bags with dog treats and
coupons were given out by TPC
members to anyone spotted with a
doggy at the event. It was a lot of
fun.

I would like to also make a special
acknowledge to Lou Hozeska for all
her hard work. Many people don't
know the high demands the
community expects from TPC. Lou
has been wonderful at stepping up
to the plate many times this year.
She is truly a great asset to TPC
and on a personal level; a great
friend.

TPC can only as good as the people
in the group, and I proud to say, we
have a wonderful group this year.
Thank you, to each and every one
of you, for all you do for the

reference form" . This can be used by both the adoptive family and foster family with TPC current vaccination guidelines and up to date return policies.

Our Yearly board of Directors and Officers list has been submitted to state for the year 2010.

Do you know who is on the BOD of TPC?

In our next team meeting we will be discussing by-laws and possible updates, board members and who they are and why. If you have been an active volunteer for the past 12 months and or have served on the board before, please try to make the next meeting. Your input is always appreciated and all board members have voting rights. Your voice counts, even if you don't speak loud, your voice will be heard, and respected.

animals and each other.

PROMOTE ADOPTIONS

Due to financial strain of a lot of families, we have seen a huge decrease in donations, and adoptions.

Requests for intakes are high, and space is low.

Please help promote adoptions at your work place, etc. Tell everyone you know, hang up flyers of your favorite animal in the rescue and place them at vet offices, public libraries, grocery stores, any place you are allowed.

Tootsie, Gee, and Abbie have been awaiting a long time for a great home. Please spread the word. Currently Harpo is still at Banfield under hospital care with some improvements. He has won the heart of many at clinic, and we pray he makes a full recovery soon. Trooper came to us with Heartworms and has began his treatments.

He is doing great in his recovery and isn't expected to have any future complications as a result. Please continue to pray for this little man, as he completes his treatment.

June is Adopt A Cat Month

Appears we are getting hit with a lot of Black cats. Please make sure to remind people cats are available for adoption at PetsMart in Florence, KY. We are currently looking for additional assistance with cat adoptions. If you are interested in conducting cat adoptions at PetsMart during the week or weekend, please let me know. We have a lot of opportunity for cat lovers to get involved.
